**Re: Auditor's Opinion letter regarding Industrial Cooperation**

As Accountants and Auditors of \_\_\_\_\_, duly registered in \_\_\_\_\_ under Registration No. \_\_\_\_\_ (hereinafter: "**the Foreign Supplier**") and upon his request, we have audited the financial statements in the declaration of the Foreign Supplier as detailed in the attached Implementation Report (marked with our seal for purposes of identification) for \_\_\_\_\_ [year]. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards in Israel or EU or IFRS (International Financial Reporting Standard). Those standards required that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the said declaration. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements in the declaration referred to above, present fairly, in all material respects, the financial statements included in it, according to the audited financial reports/unaudited financial reports and the supporting books they are based on.

Yours truly
